

Steel, North America segment

Introduction and highlights

- The long division is the US' largest domestic producer of premium rail and the only rail producer in Western North America.
- The tubular division is the largest North American producer of LDP, which is used for oil and gas pipelines, and the only supplier of fully "Made in Canada" LDP. It is also the largest OCTG producer in Western Canada.
- The flat division operates the only plate mill on the US West Coast.

EVRAZ is the largest producer by volume in the North American rail and large-diameter pipe (LDP) markets. EVRAZ holds leading positions in Western Canada's oil country tubular goods (OCTG) and small-diameter pipe (SDP) markets, as well as in the US West Coast plate market.
